The Giving Tree

Each year, the Recreation Department places a Giving Tree in the front lobby and residents' Christmas wishes are written on ornaments that adorn the tree.

Family members, staff and visitors are encouraged to take an ornament tag and make a Christmas wish come true. Wrapped gifts should be returned with the ornament attached by December 15th. This is a great project for church groups, scouts, and other volunteer organizations.

Please contact the Recreation Department at extension 509 with questions. Thank you and Merry Christmas.

Holiday Decorations

Festive holiday decorations on doors and in resident rooms are welcomed and encouraged. However, fire and other safety codes must always be observed.

Extension cords, candles and easily combustible plants such as live Christmas trees, wreaths, and arrangements with evergreen branches are never allowed in the Center per Life Safety and Fire Safety codes.

Please help center partners create a festive and safe environment by directing questions about decorations to the Director of Environmental Services, Tyler Huff, at ext 525.

We Had FUN !

Partners, Residents and families all enjoyed a fun evening of dancing and entertainment at our Annual Spooktacular Halloween Party! Thank You to everyone who attended and volunteered.

Gift Giving

The holidays are a wonderful time to give thanks. With that in mind, remember that Villa Crest partners may NOT accept gifts from residents and family members.

The best way to thank partners is by filling out a PEP card. PEP cards are reviewed by administration and result in a financial incentive to the partner. PEP cards are located in resident rooms, on the nurses' stations, and in the front lobby.

Happy Anniversary

The partners of Villa Crest Nursing & Retirement Center joined Fern and Jeannette Provencher as they celebrated their 71st Wedding Anniversary on October 18, 2018.
