Spotlight on Alzheimer's

The Villa Crest Nursing and Retirement Center Team raised \$10,055.00 for the 2017 Walk To End Alzheimer's disease.
 Team Captain, Kary Bijeol,

would like to extend sincere thanks to the many partners, residents, and family members who purchased T-shirts, attended events, created craft projects, donated money and participated in the September walk. It was the on-going support of incredibly generous people that pushed the team to success!

Thanksgiving Buffet

Reservations are being accepted for the Thanksgiving Day Buffet in CHOICES Restaurant.
 Cost is \$25 per guest and

Personal Food Items

New federal guidelines have relaxed the requirements for use and storage of personal food items. Food should be stored in a sealed container. Refrigerated items must be labeled with resident name, the item, and a "use by" date, which should be 3 days from refrigeration. Enjoy!

reservations may be made by contracting the Receptionist. Space is limited, so RSVP early.

REGULATIONS

In October 2016, the Federal Government published new regulations for nursing and rehabilitation centers that take part in the Medicare and Medicaid programs. This is the first major regulatory update to the current requirements of participation since 1991.

In the next several editions of The Villa Crest View, excerpts from the new regulations will be provided for education of residents and family. Discussion of these new guidelines will also occur at Resident Council meetings.

The partners of Villa Crest support the intent of these regulations, which is to create an environment that respects resident choices, preferences, and decisions. Stay tuned.

What Is A Pocket Talker?

A pocket talker is a portable amplifier designed for use by individuals who have difficulty hearing. It can make significant improvements in an individual's hearing in various listening settings. A pocket talker is available for residents to use for a short term trial. Contact the Social Worker to for more information or to discuss purchase options for long term use.

Memorial Service

The quarterly Memorial Service will be held on November 7th at 7pm. Please join us for a time of reflection and memory.

Congratulations

Kathy and Ted dancing at the Luau.

Donna Hannon honors Kathy as one of the seven finalists for LNA of the year.

Medicaid Rules

Each year the New Hampshire Bar Association publishes a booklet entitled, "Guide for New Hampshire Residents Seeking Medicaid Coverage for Nursing Home Care." The guide is helpful for residents thinking about financial assistance. Topics include disqualifying asset transfers, trusts, income and asset rules, as well as rules for married recipients.

The guide is accessible on the Internet at www.nhbar.org. Copies are also available by contacting Linda Lezy or Sarah McEvoy. For information concerning Medicaid services at home, Choices for Independence, contact ServiceLink at 1-866-634-9412.

Kathy Camire was named LNA of the Year for Villa Crest Nursing & Retirement Center.
