Villa Crest Nursing & Retirement Center Luau to Fight Alzheimer's Disease Huge Success

The annual resident and family barbeque was transformed into a fundraiser to support the fight against Alzheimer's Disease. The event was a huge success, raising \$1,473 and bringing the total, in 2017, to \$5,600. This surpasses the 2016 effort, but there is still plenty of time to contribute.

To become a participant on

the Villa Crest Alzheimer's walk team, please contact Kary Bijel at extension 534. To make a donation to the team. Please visit Alz.org and search for the team name: Villa Crest.

Thank you for your generous contributions in support of this worthy cause!

Excellence

Vince Lombardi said, "Perfection is not attainable, but if we chase perfection, we can catch excellence." This is the goal of the Villa Crest Nursing and Retirement Center Team.

The My Innerview Satisfaction Survey asks families to choose between Excellent, Good, Fair, and Poor when rating the services of the center. We pursue perfection in care and quality of life and hope to catch excellence.

The most recent customer feedback resulted 100% overall satisfaction when the ratings for excellent and good were combined.

Help center partners improve quality of life and services by sharing your opinion. Remember excellence is not perfection, but we're chasing one to get the other!

Autumn Arrives

The 2017 autumnal equinox is Friday, September 22nd. On this first day of fall, the hours of light and dark will be nearly equal.

Licensed Nursing Assistants (LNAs) To Be Honored

In September, Villa Crest's premier LNAs will be honored at the annual Licensed Nursing Assistants luncheon, hosted by National HealthCare Corporation (NHC). One of these nominees will be chosen to represent Villa Crest Nursing & Retirement Center as LNA of the Year. This candidate will then be eligible to become the NHC Northeast Regional LNA of the Year.

The seven finalists for 2017 are Kathy Camire, Sandy Flynn, Marie Rumore, Mubera Hasic, Jennifer Lamontagne and Maggie Vrevic. LNAs must qualify to be nominated, and once nominated, must complete an essay on a topic provided by NHC. Qualification is based on things such as attendance and performance scores.

There is still time to support one of these candidates. Please feel free to submit a letter in support of any or all candidates. Join us in thanking these candidates for their dedication to providing the best care and highest quality of life for residents and guests.
